STATES UNDER OATH IN ENGLISH

I confirm that I was informed in July 2024 that my police clearance certificate indicates that I am awaiting trial for an undisclosed matter. I have no knowledge of an impending trial and I only became aware of this apparent impending trial after applying for this role.

After purchasing my house 5 years ago, I have been harassed by people in my neighbourhood who have been attempting to coerce me into relocating. I presume they have opened a criminal case against me in order to get me to sell my house for a low price out of desperation to get away from them, in order for them to sell my house to the next person at a high price, thereby making a profit at my expense.

I know and understand the contents of this statement.
 I have no objection to taking the prescribed oath.
 I consider the prescribed oath to be binding on my conscience.
